

▶ Getting your Student ID and PIN

Your security is important to us.

In order to protect the privacy and security of Texas A&M-Corpus Christi students, our University provides all students with a unique, assigned identification number. This number will serve as your universal student ID during the course of your attendance at TAMU-CC, and will be used to verify your identity in lieu of your social security number.

▶ GETTING YOUR STUDENT ID

To obtain your Student ID (also sometimes called your 'Banner ID', as this is the name of the system that generates and stores this ID) you can do either of the following:

Go online!

Our University has a secure site that can be accessed via the SAIL student portal at <http://sail.tamucc.edu>. This secure link is located in the left-hand column of the SAIL home page and can be accessed by clicking the *My Student Banner ID* link. Once clicked, you will be prompted to enter your social security number and your PIN (see **Getting Your PIN** below for more information).

Give us a call or come see us!

You can contact the Office of Admissions and Records by phone or visit in person to obtain your Student ID. Simply call 361.825.7024, or stop by their offices, located on the first floor of the Student Services Center (also known as the 'Round Building').

▶ GETTING YOUR PIN

As a new student, your personal identification number (PIN) is auto-set to your date of birth in the format of MMDDYY.

▶ USE YOUR ID

- To reference your student account.
- To log on to SAIL (<http://sail.tamucc.edu>).
- To apply for on-campus jobs.
- To set up your University e-mail address.
- To access campus research databases.
- To apply for University scholarships.

▶ SECURITY TIPS

- Memorize your Student ID and PIN.
- Don't share your Student ID or PIN with others.
- Log out of SAIL and other secure services when you have completed all tasks.

Be sure to memorize your Student ID and/or store it in a safe, secure location.
