SIMULATION: THE CHALLENGE TO IMPROVE PATIENT OUTCOMES
APRIL 30 & MAY 1, 2016
TEXAS A&M UNIVERSITY-CORPUS CHRISTI
ISLAND HALL: ROOM 160
CORPUS CHRISTI, TEXAS
**ACCOMMODATIONS**

**Hilton Garden Inn Corpus Christi** 6717 S. Padre Island Drive, Corpus Christi, TX 78412. For the special rates of $105.00/night before 4/22/16 at 3PM, entering “simulation” when making reservations.

The purposes of this education activity is to enhance knowledge and skills of the registered nurses conducting and evaluating simulation activities; by addressing best practices simulation techniques, debriefing strategy, NCSBN Simulation Guidelines and interactive Multi-Patient Immersive Simulation Experiences as evidence by improved implementation of simulation techniques through nursing education resulting in improved patient outcomes at the bedside.

**NURSING PURPOSE STATEMENT**

**TARGET AUDIENCE**

This activity is designed for registered nurses, nurse educators, researchers and practitioners in all disciplines. This activity will explore simulation with experts to add best practices and innovative approaches directed towards improving patient outcomes and increasing interdisciplinary learning opportunities. This activity will reinforce skills in designing, conducting and evaluating simulation experiences.

**EDUCATIONAL METHODS**

The format will consist of Presenter/Facilitator lead power point presentations integrated with demonstrations and interactive activities in simulations. Each session will be followed by brief question and answer sessions.

**EARLY BIRD REGISTRATION**

- Early Bird (EB) Registration before April 22, 2016
- Nurses
  - 2 day fee $200 per Participant after EB date $275
