Simulation: The Challenge to Improve Patient Outcomes

* Join simulation experts and explore best practices and innovative approaches directed towards improving patient outcomes and increasing interdisciplinary learning opportunities.

* Develop skills in designing, conducting and evaluating simulation experiences.

* Come network with nurse educators, researchers and practitioners in all disciplines.

Texas A&M University Corpus Christi College of Nursing and Health Science (TAMUCC-CONHS) is an approved provider of continuing nursing education by the Texas Nurses Association, an accredited approver by the American Nurses Credentialing Center’s Commission on Accreditation.
