- 2013 American Association of Colleges of Nursing (AACN) Innovations in Professional Nursing Education Award  
The eLine Military Nursing program (ELM), at Texas A&M University-Corpus Christi, is the recipient of the 2013 Award. *This award recognizes the outstanding*

*work of AACN member schools to re-envision traditional models for nursing education and lead programmatic change.* Texas A&M University-Corpus Christi College of Nursing's eLine Military Program (ELM) is a modular, competency-based online program providing a pathway to a Bachelor of Science in Nursing (BSN) for students with previous military experience. ELM's Prior Learning Assessment provides a mechanism to award the maximum amount of college credit healthcare training and experience. This results in a customized curriculum for each student by eliminating content already mastered through military service. This ultimately creates a path to the BSN, RN licensure, and a lifetime of service in the most efficient means possible. Oct 28, 2013.
