

CURRICULUM VITAE

Sara A. Baldwin, Ph.D., RN, APHN-BC

Texas A & M University, Corpus Christi

Office # 340

(361) 825-3439

sara.baldwin@tamucc.edu

Education

<i>Degree</i>	<i>Dates</i>	<i>Major</i>	<i>Institution and Location</i>
Ph.D.	2006	Nursing	U of NE Medical Center, Omaha, NE
M.S.	1990	Nursing	University of Portland, Portland, OR
B.S.	1980	Nursing	University of Utah, Salt Lake City, UT

Dissertation

Breast Screening and Mammography Adherence among Northern Plains Tribes

American Indian Women Committee Chair: Dr. Nancy Waltman, Ph.D., RN, Virginia

Tilden, Ph.D., RN, FAAN, Martha Foxall, Ph.D., RN, FAAN

Thesis/Project

MS in Community Health Nursing

Evaluation of Disease Prevention Service Outcomes: The Northwest Neighborhood Center, Portland, OR.

Professional Licensure and Certification

Registered Nurse, 1976, Texas license # 760562, renewal date: 06-01-2017

Advanced Public Health Nurse, Board Certified (APHN-BC), American Nurse Credentialing Center, certification # 2009010927, renewal date: 01-01-20

Employment

Academic Employment

<u>Dates</u>	<u>Title</u>	<u>Institution or Business</u>
2008-current	Associate Professor, Tenured	Texas A & M University, Corpus Christi

2000-2008	Assistant Professor	South Dakota State University
1991-2008	Instructor	South Dakota State University
1983-1990	Instructor	Rapid City Regional School of Nursing

Clinical Employment

<u>Dates</u>	<u>Rank or Title</u>	<u>Institution or Business</u>
1999-2006	Project Consultant	South Dakota Department of Health; Cancer Control & Prevention Program, Pierre, SD
2000-2002	Case Manager	Indian Health Service, Rapid City, SD
1984-2005	Staff Nurse	Rapid City Home Health & Hospice, Rapid City, SD
1981-1984	Public Health Nurse (cert)	Napa County Health; Home Health
1978-1981	Staff Nurse	Holy Cross Hospital, Salt Lake City, UT
1976-1978	Staff Nurse	University of Utah Medical Center, Salt Lake City, UT

Academic Experience

A. Teaching at Texas A & M University, Corpus Christi, TX (2008-Current)

Graduate Courses (2008- FA 2016)

NURS 6301 Epidemiology and Statistics in Evidence Based Practice (DNP)

NURS 6201 Application of Evidence in Practice II (DNP)

NURS 5314 Research Methods in Advanced Nursing Practice

NURS 5316 Introduction to Advanced Practice Role

NURS 5315 Diverse Health Care Environments

NURS 5341 Wellness and Health Promotion

NURS 5469 Patterns of Care Delivery (Capstone Practicum)

RN-BSN Undergraduate Courses

NURS 4318 Nurse as Research Consumer

NURS 4660 Nurse Care of Community as Client-Practicum and Theory

B. Courses Taught at South Dakota State University (1991-2007)

Graduate Nursing Courses (First two courses are required for **PhD** programs, last two courses are electives for both **PhD, DNP, and Masters** programs)

NURS 840 PhD- Health Promotion Theories and Research in Underserved Populations

NURS 810 PhD- Doctoral Seminar (Various Topics)

NURS 755 MS -Rural Health Care

NURS 675 MS-Cultural Competence in Health Care

RN-BSN /Undergraduate Courses:

HSC 445 Epidemiology

HSC 443 Public Health Science

NURS 420 Directed Study (Capstone Course)

NURS 416 Community as Client

NURS 475 Community Health Nursing (RN to MSN online program)

NURS 385 Health Assessment, Clinical Decision Making and Nursing Interventions

NURS 381 Family and Communication

NURS 355 Nursing Research

NURS 330 Introduction to Community Health Nursing

C. Thesis, Project or Dissertation Supervision

Prasad, Veena. (2017-ongoing) Doctoral dissertation committee member, TAMUCC, Ph.D., in Education “Efficacy of an electronic application to mitigate symptoms of postpartum depression and improve postpartum well-being, among new mothers: A pilot study.”

Acker, K. (2015-ongoing) Doctoral dissertation committee member, TWU collaborative Ph.D. in Nursing Program. CPAP completion; A descriptive-correlational study.”

McQueen, J. (2016- 2017) Doctoral dissertation grad faculty representative, TAMUCC, Ph.D. in Education. “A sequential explanatory mixed methods inquiry.” Completed 2017.

Davila, G. Doctoral dissertation committee member, TAMUCC /PhD in Education “Development of the campus community index: Reliability and validation of a new instrument to measure college student's depth of connectedness & perception of appreciation at universities.” Completed, August, 2015.

England, S. Advising chair and doctoral dissertation advisory and committee member, TWU collaborative PhD in Nursing Program 2010-2012. “Experiences of Homeless Vietnam Veterans in Deciding to Access or Not Access Health Care.” Completed March, 2014.

Burdette, L. PhD in Nursing; member of her doctoral dissertation committee, SDSU College of Nursing, PhD Program. Completed in 2009 “Relationship between self-care agency, self-care practices and obesity among rural mid-life women.” Completed in 2010.

Taylor, C. MS in Nursing; “Behavioral and environmental influences on obesity among Northern Plains Tribes American Indian children from a rural context.” Thesis committee member, SDSU College of Nursing, Graduate Program, completed in 2007.

Erikson, C., MS in Nursing, “*Critical thinking; How are we educating the nurse educator?*” Thesis committee member, SDSU College of Nursing, Graduate Program. Completed in 2008.

Supervised MSN student research projects and presentations at TAMUCC Research Symposium, of which one student was awarded 1st place overall, 2012. “*A systematic review of family presence during cardio-pulmonary resuscitation events.*”

Supervised and second author for posters presented as Rising Stars at STTI Biennial Convention: “Conventional versus video guided laryngoscopy in rural emergency departments. “Appropriate management of the febrile pediatric client.”

Supervised BS Health Science Capstone Project in Community Based Setting, TAMUCC, College of Nursing and Health Sciences, Undergraduate Program, Completed 2012. “*Recruitment and retention of hard to reach research participants in an urban Hispanic neighborhood.*”

Supervised multiple MS Leadership students during their Patterns in Health Care Delivery Practicum capstone project (n = 10) TAMUCC College of Nursing and Health Sciences, Graduate Program, Conducted in TX and AZ, Summer, 2010.

D. Scholarly and Creative Activities

1. Global Hispanic Research Institute (2017-ongoing) Inaugural member in partnership with Driscoll Children’s Hospital and Texas A & M University, College Station.
2. Scholarly Publications

Note: Sara Baldwin (a.k.a. Sara Becker in some published journal articles and textbook reviews)

Baldwin, S.A. (2014). A neighborhood centered clinical project: Improving diabetes and cardiovascular outcomes with Hispanic women. *Journal of Nursing Education*, doi:10.3928/01484834-2015

Becker S., & Foxall, M. (2006). An analyses of health behavior theories applied to breast screening behavior for relevance with American Indian women: A review and analyses. *Journal of Transcultural Nursing, 17*, 1-8.
doi.10.1177/1043659606288372.

Becker, S., Affonso, D., & Blue Horse Beard, M. (2006). Talking Circles; American Indian women's views of cancer as a health issue. *Public Health Nursing, 23*, 27.
doi: 0737-120906.

Becker, S., Waltman, N., & Foxall. M. (2006) Breast cancer screening patterns related to mammography adherence among Northern Plains Tribes American Indian women. Ph.D.dissertation, University of Nebraska Medical Center, Nebraska, United States. Retrieved from *Dissertations & Theses: Full Text* database. (Publication No. AAT 3214511).

Baldwin, S. Writer/consultant hired by Pearson-Hall publishing. Mary J Clark's (2007). *Community health: Advocating for populations*, (5th ed), Prentice-Hall Inc., Upper Saddle River, New Jersey.

Baldwin, S. Contributor, peer reviewer for Mary J Clark's (2007) *Community health: Advocating for populations* (2006). *Clinical Tools in Community Health Nursing*, (1st ed.), Prentice-Hall Inc., Upper Saddle River, New Jersey.

3. Scholarly Works in Progress

Acker, K. & Baldwin, S., (2017). Sleep titration study completion; A literature review. Manuscript work in progress.

Garcia, T, Baldwin, S. A. & DeLarosa, D. (2017). Grandparent influence on childhood health behaviors; a review and analyses. Manuscript work in progress.

Walker-Smith, T. & Baldwin, S. (2017). HPV vaccine disparity; A population health plan. Manuscript work in progress.

4. Manuscript Review Experiences for National and International Journals

Research in Nursing and Health (2011-current)

Public Health Nursing (2004-2013)

Preventing Chronic Disease (2007-2012)

5. Creative Scholarly Activities

- Developing new online DNP-level course “Epidemiology and statistics for evidence- based practice” (2016) for course delivery, SP 2017.
- Developed narrated and PPT mix video for building Systematic Review posters. Collaborated with Jan Brott from ODELT to co-teach WebEX sessions during Nurs 5314 and Nurs 6301, 2016-2017.
- Developed Family Assessment module for N5341 FNP course “Health & wellness.” Included genomic & epigenetic considerations, resources, paper guidelines with rubric, family assessment guided questions and genogram/ecopmap guidelines. Pilot tested, Summer 2014; Fully implemented, Summer, 2015.
- Co-developed a TAMUCC Research Poster Presentation Template for faculty and graduate students at future professional conference submissions (2013).
- Developed “How to write a Research Abstract” and “How to Present a Research Presentation in 10 minutes” for TAMUCC graduate students (2013).
- N4318 Nurse as Resource Consumer classroom guest presentations on Qualitative Methods with specific presentation on “Talking Circles: A Qualitative Study Approach with a Cultural Group.” (2010-2013).
- Developed and piloted “Women’s Pathway to Prevention” program educational materials with women from the Garcia Center neighborhood and TAMUCC undergraduate Nurs 4660 Community Health Students (of Diabetes),” Corpus Christi, TX (2011-2012).
- Developed and presented “A New Diabetes Prevention & Education Program for Hispanic Women,” narrated tv segment, aired on kiiitv, Univision cable tv, and KRISv. (2012).
<http://www.kiiitv.com/story/18793150/2012/06/14/new-diabetes-prevention-education-program-for-women>
- Developed, implemented, and evaluated new practicum teaching tools for N4660 Community course e.g clinical tools kit for CHN practice; Community needs assessment in diverse cultural communities, prioritization scale, work sheets for developing community diagnoses, program planning, and preliminary grant writing skills (2010-2012).
- N4660 Nursing Care of Community Health Clients established 3 new partnerships and/or community contracts for CHN practicum students: 1)

Robstown Family Practice Clinic, Christus Spohn; also with the South Texas Colonia Initiative, 2) Corpus Christi Housing Authority, and 3) Antonio E. Garcia Center along with the “Hands On” diabetes self-management program (2008-2011).

- N4660 Nursing Care of Community Health Clients classroom guest presentations on “Cultural Influences and Social Justice in the Public Health Setting.” (2010-2013).
- N4660 Nursing Care of Community Health Clients classroom guest presentation on “Social Justice in a Market Justice World.” (July 13, 2011).
- N4660 Nursing Care of Community Health Clients, classroom guest presentation, Program Planning with Vulnerable Populations.” (Oct 20, 2011).
- N4318 Nurse as Research Consumer, converted face2face course into an online course for generic undergraduate students and RN-BSN students, (2010).
- N4318 Nurse as Research Consumer classroom guest presentation on “Mixed-Methods Cross-cultural Research” March 5, 2011 and July 10, 2011.
- N4318 Nurse as Resource Consumer classroom guest presentations on Qualitative Methods with specific presentation on “Talking Circles: A Qualitative Study Approach with a Cultural Group.” (2010-2013).
- Revised an evidence based practice module and PPTS in Nurs 5314 Research course. These include Rapid Critical Appraisal of an Intervention Study PPT, Systematic Review PPT and three related assignments. Assignments included Research Critique using a grid format, revised existing systematic review assignment, new peer evaluation of final project assignment, and revised criteria for the Statement of a Problem paper. (Fall 2009-2010)
- PhD in Nursing Science Program Planning Committee member for (new) PhD program at South Dakota State University (SDSU), (2004-2007).
- DNP Program Planning Committee member for (new) DNP program at SDSU, (2005-2008).
- Co-developed and team-taught a (new) PhD course, NURS 840 Health Promotion Theory and Research in Underserved Populations, SDSU, (2006).
- Developed a new undergraduate research course for hybrid course delivery, Research; Utilization & Appraisal. Responsible for development, SDSU, (2007).

- Provided leadership as appointed lead faculty in SDSU's RN Online Completion Program; Nurs 385 Health Assessment and Clinical Decision Making, and Nurs 416 Community Health Nursing. This involved; course updates in a new online delivery system (from WebCT to Desire2Learn), designing and updating agency and expert proctor agreement policies, as well as communication with multiple faculty who teach various sections of the course all over the state, SDSU (2000-2008).
- Team taught summer HSC 445 Epidemiology courses with a medical epidemiologist. Designed review of epidemiology surveillance programs, and midterm project templates. Conducted advanced search of NIH sites and databases to help students locate and calculate program rates relevant to their projects SDSU (2005-2007).

6. Presentations at Professional Meetings (Podium unless Noted)

Conference for Community Engagement and Healthcare Improvement: Social Justice, Health Equity, and Value-based Care, San Antonio, TX, August, 2016.

Patient Data, Kat Acker, primary author, Sara Baldwin, contributing author.
 "Retrospective Analyses of Newly Diagnosed Obstructive Sleep Apnea (OSA)."

American Public Health Association, Denver, CO. (2016). Using a Social Ecologic Framework to Examine Grandparent Influence on Childhood Behaviors. Abstract accepted for podium presentation. Later retracted by Co-PI's-unable to attend.

Cultural Inclusion Institute, San Antonio, TX, April 2016. Co-presenter with Dr. Theresa Garcia "The Healthy Us Grandparents Study."

Cultural Inclusion Institute, San Antonio, TX, April 2016. Assisted graduate student Bea Cazares with poster development and presentation "Grandparent Influence on Pediatric Obesity."

TAMU-Prairie View Graduate Student Pathways Research Symposium, November, 2016. Mentor and contributor to 1 graduate student poster presentations. Sponsored student won 1st place Life Sciences.

TAMUCC Graduate Student Pathways Research Symposium, November, 2015. Mentor and contributor to 3 graduate student poster presentations.

Society of Behavioral Medicine, San Antonio, TX, April 2015. Using Social Networking and Motivational Interviewing to Address Diabetes Prevention Behavior Barriers among Overweight Hispanic Women. Society of Behavioral Medicine, 36th Annual Meeting, San Antonio, TX. (poster presentation).

Improving Chronic Illness Outcomes in Vulnerable Populations (Keynote Speaker) for the Texas Public Health Association, 90th Annual Education Meeting, Corpus Christi, TX. March, 2014.

Meeting Public Health Nursing Competencies in a Community-based Population Intervention Project with BSN students at Southern Nursing Research Society, San Antonio, TX, February, 2014 (poster presentation).

Working with a Neighborhood Centered Clinical Project to Lower Diabetes and Cardiovascular Risk Factors among Hispanic Women... at Sigma Theta Tau International Research Conference, Indianapolis, IN, November, 2013.

A Community-based Program to Lower Diabetes and Cardiovascular Risk Factors among Hispanic Women (Symposium) at Western Institute of Nursing Annual Research Conference, Anaheim CA, April, 2013.

Using a Community Partnered Research Project to Address Diabetes Health Disparities in a Hispanic Urban Community (panel presentation) at annual Nurses Research Day, University of Texas, Brownsville, TX. March, 2012.

Use of a Culturally-Competent Strategy to Investigate Breast and Colorectal Cancer Screening Knowledge and Decision Making among Hispanic Women. (Podium presentation) at Sigma Theta Tau Midyear Conference, Grapevine Texas, October, 2011.

Use of a Culturally-competent Strategy to Investigate Breast and Colorectal Cancer Screening; Decision Making Aids among Hispanic Women (Poster Presentation) at CPRIT Innovations in Cancer Prevention and Research Annual Conference, Austin, TX, November, 2011.

Colorectal Cancer Screening and Decision Making Aids at the American Public Health Association (APHA) 138th Annual Meeting, Denver, CO. November, 2010.

Mammography Adherence among American Indian Women; A Mixed Methods Study. University of Texas, Brownsville, TX, (invited speaker) September, 2009

Predictors of Mammography Adherence among American Indian Women; A Mixed Methods Study. American Association of Cancer Researchers, poster in Denver, CO, April, 2009.

Cross Cultural Nursing Research; Lessons Learned and Future Challenges. TAMU-CC faculty, Corpus Christi, TX. (invited speaker), October, 2008.

“Developing a Community of Learners in an RN-BSN Online Program, International Teaching with Technology International Conference. Jacksonville, FL, April, 2008.

Breast Screening Patterns Related to Mammography Adherence among American Indian Women, TAMU-CC faculty (invited speaker), Corpus Christi, TX, April, 2008.

Assessment of Cancer Related Health Disparities among American Indians in South Dakota, Midwest Nursing Research Society. Milwaukee, WI. March, 2008.

Developing a Nurse Scientist Program. One Student’s Experience, (invited speaker) at Oglala Lakota Sioux College, Pine Ridge, SD. January, 2008.

Breast Cancer Screening Patterns related to Mammography among Northern Plains Tribes American Indian Women, (invited speaker) by Sigma Theta Tau, Presentation College, Aberdeen, SD., February, 2008.

Breast Cancer Screening Patterns related to Mammography among Northern Plains Tribes American Indian Women, (speaker) American Public Health Association, Washington, D.C. November, 2007.

Talking Circles; American Indian Women’s views of cancer as a health issue. American Public Health Association, Boston, MA, November, 2006.

Talking Circles; American Indian Women’s views of cancer as a health issue. MNRS Conference, Milwaukee, WI, April, 2006.

Talking Circles; American Indian Women’s views of cancer as a health issue. Sigma Theta Tau Research Day. Brookings, SD, March 29, 2005.

Cultural Beliefs and Understanding Cancer among American Indian Women. South Dakota Public Health Conference, (speaker) Pierre, SD, June, 2003,

Cancer Prevention and Early Detection. Community Health Representatives Four-State Conference, (speaker) Rapid City, SD, September, 2003.

Evolution of a Cancer Early Detection Program among American Indian Women.” Women’s Cancer Network, (speaker) Pierre, SD, September 2003.

Circle of Life Intervention with Northern Plains Tribes Women: Can it Work? Indian Health Service Health Educators Conference, (invited speaker) Rapid City, SD, September, 2002.

Cultural Beliefs and Understanding Cancer. IHS Cancer Prevention and Control National Office, (speaker) Albuquerque, NM, Oct, 2002.

7. Contracts, Grants & Sponsored Research

Garcia, T. & Baldwin, S. A. (2015). (Role, Co-Investigator) 9/1/2015-8/31/2016. Texas Research Development Fund. funded, \$25,000. "Hispanic Grandparental Influence on Childhood Health Behaviors,"

Zhao, M. & Baldwin, S. A. (Role, Co-Investigator) 9/15/12-8/13/13
Texas Research Development Fund, funded. \$5,000
"Cultural health and screening mammography belief sale: The development and pre-testing among Asian-American women."

Baldwin, S. A., Garcia, R. & Oliver, M. (Role: Program Coordinator, PI) 9/1/11-6/1/12

Coastal Bend Diabetes Coalition, funded. \$35,000

"Women's Pathway to Prevention (of Diabetes)," Corpus Christi, TX.

Smith, A. & Baldwin, S. A. Sept, 2010 Grant Submission (Role: Collaborator):

"Incentives to increase adherence to screening guidelines for diabetic retinopathy," R21 Economics of Prevention NIH Application # RFA-RM-10-015. (Resubmitted, June, 2011; not funded).

Baldwin, S. A. (Role: PI) 3/1/09 – 8/1/09

Texas Research Development Research Grant, funded, \$ 20,000

(Aim) to explore use of a culturally-competent strategy to investigate breast and colorectal cancer screening knowledge among Hispanic women. Corpus Christi, TX.

Becker, S.A. (Role: PI, consultant) 7/01/99–3/30/2006

South Dakota Dept of Health; Midwest Division ACS, Sigma Theta Tau, funded, \$340,000

Rapid City, SD.

8. Grant Reviewer Responsibilities

Oncology Nursing Society (Role: Grant Reviewer). Cancer prevention/cancer health disparities, risk communication, hospice, and end of life care. **01/10/12-current**

Oncology Nursing Society (Role: Research Advisor Panelist) Applied. Not selected but reapplying.

Contact: Gail Mallory. **06/01/15**

TAMUCC CONHS Research Enhancement Committee (Role: Grant Reviewer) Review 3-4 cycles of grant proposals per year. **09/10-current**

9. Grant Writing in Progress

Robert Wood Johnson: 2017 submission planned, Garcia, T & Baldwin, S. Childhood Obesity and Grandparent Intervention as well as an R15 with the intent to involve UG students.

TRDF March 2017 submission anticipated: Lifestyle interventions with cancer survivors.

Service (last 3 years)

A. Department

Dean's appointment to serve on the College of Nursing and Health Science Policy Committee in preparation for SACS Review. (2017- current).

DNP Core Curriculum faculty member, Development of Curriculum for a Doctor of Nursing Practice Program. (2015-current).

Chair, Graduate Scholarship Committee. (2012-2016).

Search and Screen Committee member, Graduate Department Chair search and Associate Graduate Dean searches x 3.

Chair, Promotion and Tenure Committee, CONHS. (Spring, 2017).

Lead course developer for two DNP course work groups: NURS 6301 Epidemiology and Statistics for Evidence-Based Practice (3 cr), and NURS 6201 Application of Evidence in Practice II (2cr).

Appointed and initiated discussion with Graduate Department faculty regarding MSN core course evaluation and their fit with current *Essentials of MSN* education (2012).

Collaboratively led teams to design various courses in the proposed DNP Curriculum (2011-current).

Examined DNP Essentials and attended AACN webinar events “Lessons Learned from Established DNP Programs” and “Designing Specialty Curriculums for DNP Programs (2011).

MSN Core Course Committee (2012-current). Appointed to Core Course Planning (Curricular Course Revision) Graduate Department Subcommittee.

B. College

TAMUCC CONHS Promotion and & Tenure Committee chair (2017-current).

TAMUCC CONHS Faculty Senator (2012-2014).

TAMUCC University Graduate Scholarly Works Symposium, (forwarded abstract submission information) to students from Nurs 5314 Research Methods course and mentored 3 students (2010-2014).

TAMUCC “Meet and Greet” for pre-nursing students. Organized and sponsored an annual Sigma Theta Tau information booth for nursing students. (2011-current).

TAMUCC University-Level Research Proposal Development Group (member, appointed by Dean, 2011-2012).

TAMUCC CONHS Search and Screen Committee, Interim Chairperson (2011-2012).

TAMUCC CONHS Research Enhancement Grants Committee, Chairperson (elected 2011) (2009-2014).

TAMUCC CONHS Graduate Nursing Scholarship Committee (Chairperson 2009-current).

C. University

TAMUCC Graduate Council representative from CONHS (elected FA 2016).

TAMUCC Council of Primary Research Investigators and Administrators (CPIRA) Volunteer from the CONHS. Rules and Responsibilities Representative.

TAMUCC University-Level Admissions and Scholarship Committee (2008-current).

TAMUCC University- Awards, Bylaws and Elections chairperson, Faculty Senate Committee (2013-2014).

TAMUCC University-Level Undergraduate Council Representative (2010-2012).

Judge for Sixth Annual TAMUCC Graduate Research Symposium (2012 & 2013).

TAMUCC Science Fair judge, Science & Technology-sponsored (Spring 2009)

TAMUCC Faculty Panelist for Freshman Student Recruitment on “Study habits and real life in the college classroom: What faculty expect from students.” Summer, 2010)

TAMUCC Best Practices Grant Advisory Committee member for the CONHS’s grant: *Best practices preparing certified clinical instructors (2011).*

D. Service to the Community and Public

CHRISTUS Health Board as a Director for CHRISTUS Health Plan-Texas and CHRISTUS Health Plan-New Mexico and Louisiana. (2013-current).

Collaborated with the American Cancer Society to develop and plan two Aransas County, TX community cancer events; “Relay for Life” and “Making Strides: Walk to a World without Breast Cancer.” (2014-current).

Antonio E. Garcia Arts & Education Center, Advisory Council member (2016-current).

Collaborated with CHRISTUS Health Plan executives to develop and launch an Outreach paid Internship for fall and spring semesters for CONHS students 2014-2015.

Interviewed for the 2016 *State of the University* luncheon program “The Healthy Us Grandparents Study” with Dr. Theresa Garcia and research assistant John McIntyre.

Developed and presented “A New Diabetes Prevention & Education Program for Hispanic Women,” narrated tv segment, aired on kiiitv, Univision cable tv, and KRISv. (2012).

<http://www.kiiitv.com/story/18793150/2012/06/14/new-diabetes-prevention-education-program-for-women>

Diabetes Community Coalition (DCC), Corpus Christi, TX. Board member and volunteer. Sponsor a booth at several health fairs throughout the year for diabetes prevention, early treatment and management.

Volunteer to help manage the DCC’s Facebook information site and community calendar. Volunteer at annual Corpus Christi’s annual Community Health Fair booth. (2011-current).

Diabetes Hands on Program, Food Banks of America: A no-cost self-management program for individuals with diabetes. Volunteer: Draw A1C’s on clients, and provide 1:1 teaching; provide individualized diabetes education and management.

American Cancer Society-Corpus Christi and Rockport, TX. Volunteer for local activities, serve on breast health committee, Relay-for-Life, Making Strides for Beating Cancer walk-a-thon (2008-2012).

Rockport Women's Club and local ACS chapter: "The Link between Physical Activity and Cancer." (Nov, 2010). "Five Steps you can make to Decrease Your Cancer Risk."

Invited to speak to Corpus Christi Caller, on local public health radio station, morning KEDT show, and the local Univision/Hispanic media channel regarding what TAMUCC is doing in the community about diabetes. Included the TAMUCC sponsored Women's Path to Prevention program at the Antonio E. Garcia Arts and Education Center and the CONHS's student involvement in diabetes community outreach, (2011-2012).

Volunteered to speak on three different Corpus Christi radio station programs KEDT and Catholic channel; preventing back problems working on a computer, cancer prevention, and mammography screening recommendations (Feb, 2009 and April 2010).

Westside Business Association (WBA), member representing TAMU-CC CONHS, active philanthropic collection of businesses that support the Westside underserved population through various fundraisers, fairs, bike, food, and shoe drives. Officially sponsors Zavala school. Provides numerous scholarships and services (ongoing).

Professional Experience

A. Honors and Awards

2016	Named to the CONHS DNP Core Curriculum Faculty
2014	CHRISTUS Health Executive Board Member-CHRISTUS Health Plan-Texas, New Mexico and Louisiana.
2014	Texas Public Health Association, Keynote Speaker Honor
2010	APHA Annual Meeting Abstract Research Finalist Award
2009	Texas Research Start-Up Funding Grant Award
2008	Midwest Nursing Research Society Dissertation Award Finalist
2007	National Cancer Institute Award-Selected as a Native Cancer Scholar
2006	PhD Nursing Program- HRSA grant Section Contributor
2006	Who's Who among Students in American Colleges; UNMC faculty

- 2005 Sigma Theta Tau, Research Scholarship
- 2004 Native Researchers Training, Portland, Oregon
- 2004 Bush/Educational Technology 2004 Summer Learning Experience
- 2004 Sigma Theta Tau, Research Scholarship

B. Professional Memberships

American Nurses Association, Texas Nurses Association. 2017-current).

Sigma Theta Tau International, Eta Omicron Chapter-president (2012-2014).
President-elect (2009-2011).

Society of Behavioral Medicine (2015- current). Member.

Oncology Nursing Society (2012-current). Grant reviewer and Expert Panelist.

Association of Community Health Educators (2014-current), program committee member (2014-2016).

American Public Health Association (International), Public Health Nursing Section.
Member since 2002-current).

2016-Research subcommittee

2010-2012 co-chair for PHN Awards subcommittee.

2009, 2011, 2012 Abstract Reviewer for Annual APHA Meetings

Southern Nursing Research Society (2008-2015). Abstract reviewer and member of Health Promotion and Ethnic Diversity interest groups.

Western Institute of Nursing (2011-2014) Member of Women's Health and Hispanic interest groups.

Member of American Association of Cancer Researchers (2010-2012).

Professional Development (last 5 years)

Institute of Health Leadership Quick Course: Back to the Basics: Building Essential Quality Improvement Skills, April 2017.

Adele Bemis Annual Leadership Presentation: Jane Mahoney (presenter), Leading with Wisdom and Appreciation, March 2017.

Writing for Publication, Janelle Strichler (presenter), PATH –sponsored presentation, April 2017.

Cultural Inclusion Institute, Annual Meeting, San Antonio, Feb 2016.

TAMUCC Islander Forums, FA and SP 2016, Corpus Christi, TX.

Society of Behavioral Medicine Annual Meeting, San Antonio, Feb 2015.

Association of Community Health Nursing Educators Annual Institute, “Social Justice: Within and Beyond Our Borders,” San Antonio, June, 2014.

Texas Public Health Association 90th Annual Conference, “Public health, with you every step of the way,” Corpus Christi, TX, March, 2014.

Sigma Theta Tau International Research Conference, Indianapolis, IN, November, 2013.

The Ohio State University College of Nursing, “Nuts & Bolts of Designing, Conducting, Analyzing and Funding Intervention Studies,” May, 2013.

Webinars: The Joanna-Briggs Library, “Beyond the Search; Maximizing the Quality of Results from Systematic Reviews,” “County Health Rankings Database; Use in Research.” March, 2013.

Islander Forums at TAMU-CC, “What we know and are learning about serving Latino students,” Best Practice in Online Education, “Engaging students,” “The World Remixed: Learning in the Digital Age,” “Integrating Technology in Teaching,” “Un-schooling your Students So They Can Start Learning,” “Collaborate and Active Learning Strategies for Small Classes.” (2012 and 2013)

Webinars: Clinical Teaching and Evaluation; Best Practices. Marilyn Oemann, PhD, RN, FAAN. NVIVO-9 Webinar Training for Qualitative studies. (2011-2012)

To avoid repetition, please refer to p 7-8, “Presentations at Professional Meetings” for a continuation of professional development accomplishments.
